

Certified Revelation Breathwork® Facilitator
BREATHWORK WAIVER FORM

PLEASE READ IMPORTANT NOTES BEFORE SIGNING:

Because this is a virtual offering, it will differ slightly than an in-person session. Therefore, if you are new to Breathwork with Certified Revelation Breathwork® Facilitator Dana Swann, **PLEASE** make note of these 3 important things:

1. Please make sure you WATCH THE VIDEO BELOW BEFORE CLASS/SESSION. It will give you an example of the breathing technique and I will further explain this simple 2-stage pranayama breath technique in which the breather inhales and exhales through the mouth while lying down. We will go over this and I will guide you through your experience.
2. If you are new to this type of breathwork, I strongly encourage you to take your first few classes/sessions easy. There's no winning in breathwork, and breathing hard and fast is not necessarily better or deeper. If you're not a runner, you wouldn't run a marathon tomorrow without training. Breathwork with Sacred Oak Energy Healing is similar. Start slow, and get to know your breath and your body.
3. Please take note of the contraindications of breathwork noted below within this **Participation Waiver & Liability Release**, where your signature is required. As a precaution, if you experience any of these contraindications, please consult your healthcare provider before you participate in this work. You can also email/ call me with any questions.

Some suggestions to make the most of this virtual experience:

- We will be playing the audio through the Zoom app. You can access zoom via a laptop/computer or your phone (make sure you have the Zoom app downloaded if using phone/tablet device)
- Sound is important, so if you have a way to connect your laptop to a better speaker, that may sound clearer for you. Or you can use headphones and connect them to the computer or your phone.
- Put your phone on airplane or Do Not Disturb mode if possible.
- Set aside a space where you won't be disturbed or interrupted (as best you can).
- Inform anyone in your space that they may hear you letting out a big scream/ yell! Maybe have a pillow or towel close by that you can scream into to muffle the sound.
- Choose a place that is comfortable for you to lay down on. A yoga mat or your bed. Do not have a big pillow under your neck if it's constricting your airflow in any way. Lying flat is preferred if accessible.
- Try not to eat a big meal more than 45 minutes before class.
